2006 Wholesale Price List and Order Form

This price list was last updated on **February 16, 2006**. Make sure to get the latest version from our web site, Victoryfireworksinc.com. Can't decide which fireworks to buy? Visit Fireworksland.com for helpful information and a buyer's guide that describes most items.

Explanation of Code:

The first letter or first two letters of the item's code tell you what brand that item is. Here are the most common codes:

| | | | |
|--------------------------|----------------------------------|-------------------------------------|--------------------------------|
| BC - Black Cat | L - Lidu or West Lake | PK - Peacock or Po Sing | T - Horse or Tiger Head |
| BP - Brothers | LH - Longhorn | PYK - Pyro King (our brand) | W - Link Triad |
| HN - Red Lantern | N - Temple of Heaven | SM - Vulcan or Shogun | WB - Beihai Fireworks |
| K - Flower Basket | O - Red Lantern | ST - Starr | Y - Cannon |
| DE - Dragon Eggs | PV - PyroValu (our brand) | GPH or GCM - Glorious | LB - Lightning Bolt |

Explanation of Case Pack:

These numbers indicate how many pieces you would encounter as you unpacked a case. For example, a case of firecrackers packed 12-80-16 means that the case has 12 bricks in it, each brick has 80 packs in it, and each pack has 16 firecrackers in it. This price list is for full cases only. If you want to buy individual pieces, please see our retail web site, www.fireworksdepot.com.

Explanation of "A price," "B price," and "C price:"

If your fireworks total is **less than \$800**, your case price is the **"A"** price.

If your fireworks total is **over \$800** (not including shipping), but less than 50 cases, your case price is the **"B"** price.

If your total fireworks order is **50 cases of fireworks or more**, your case price is the **"C"** price.

Important: The above totals only include fireworks and pyrotechnic supplies sold by the case (punk, fuse, road flares, torches, Quick Match and fiberglass mortar tubes). Individual HDPE mortar tubes, Sticky Match and all non-pyrotechnic merchandising materials (such as flags, signs, banners, glasses, etc.) **do not count** towards the above totals.

If an item you want to buy does not yet have a price shown, please call us or send us e-mail to victoryf@presenter.com

Which prices should you use - A, B or C? If you do not want to spend more than \$800, start with the "A" prices. But if your total goes over \$800, you may want to redo your list, because you can get a lot more for \$800 at the B prices. If you are sure you want to spend at least \$800 (not including shipping) but you want to buy less than 50 cases, start with the "B" prices. If you know you will be buying at least 50 cases at one time, start with the "C" prices. We recommend that you go in together with a friend on an order that to make 50 cases or more. That way, you will get the best prices, and you can split the shipping charge with your friend. You will get the most fireworks for your money that way.

Catalog: We do not have a color catalog, only this price list. We are not responsible for typographical errors on this list. This price list supercedes all other price lists we have had in the past. Prices and availability subject to change.

Minimum order: There is no minimum. But, the shipping cost is usually not cost-effective for small orders of 1 to 10 cases.

It becomes cost-effective at around 12 to 15 cases. The shipping charge is even more cost-effective at 50 cases or more, but even at 20 cases it is usually reasonable.

Availability: The most popular items tend to sell out quickly. The closer it gets to the 4th of July, the more items on this list will become out of stock. We recommend that you order as early as possible, to get the best selection. We cannot guarantee that all items on this list will remain in stock.

Terms: Payment in advance is required, including the shipping cost. Payment is accepted in cash, credit card, cashier's check, or wire transfer only. Personal and company checks are not accepted for wholesale purchases.

All sales are final and merchandise is not returnable.

Shipping: All prices are FOB Ellsworth, Wisconsin. The shipping charge will vary, depending on how much you are ordering and how far away you are from Wisconsin. When you send us the list of what you want, we will get a quote for the shipping charge. Which shipping company is used depends on where you are and how many cases you are ordering. The shipping time is usually about one week from the day we ship it, depending on where you are. If you are near Wisconsin it is usually less time.

Licenses, permits, disclaimers: You are responsible for obtaining any fireworks licenses or permits required by your state, county, city, etc. You must be 18 years of age or older to buy from us. This merchandise is sold and shipped on the representation of the buyer that the same will be used strictly in accordance with the laws of the state, city and county of destination. This merchandise is sold upon the condition that the seller shall not be liable in any civil action for any accident or injury occasioned during the transportation, handling, storage or use of the merchandise.

We will then call you to let you know if everything you want is in stock, and what the shipping charge will be. We highly recommend the PYK items. You can view pictures of some of the PYK items and read descriptions of their performances at our wholesale web site,
